## INTERESTED IN GROWING AND SUPPORTING THE GREEN INDUSTRY?

LOOKING FOR SUMMER AND FULL TIME EMPLOYEES? JOIN US IN WELCOMING 250+ HIGH SCHOOL STUDENTS TO EXPLORE THE PROFESSION

Show high-school students all the opportunities which exist in the Green Industry by providing an exploration day they will not forget.

We are seeking companies or organizations to provide hands-on demonstration experiences and sponsors to make this event successful. Support for hands-on experiences and/or sponsorships at the Silver, Gold and Platinum levels will receive recognition throughout the event and in the event bags. Companies and organizations that assist in providing hands-on experiences can earn sponsorships at half price. The event's success depends on your support and participation - thank you for your consideration! Please contact our team with any questions.
